

COMPANY SECURITY POLICY

It is the policy of the Company to provide a secure working environment by;

- establishing and maintaining the required security measures
- to prevent unlawful acts against ships and personnel on board
- which endangers the safety and security of Company's property and
- personnel on board the Company ships.

All employees are statutorily required to comply with the stipulated procedures within the ship security plan (SSP) manual.

Every employee is to be familiar with their respective security duties assigned to them and appropriate its measures in protecting the ship from any unlawful act.

Company shall ensure that the Company Security Officer (CSO), the person designated as the Ship Security Officer (SSO) and all shipboard crew members are given the necessary support and training to meet this objective.

In fulfilment of the above security duties and responsibilities, essential support and training provided will be in accordance with Chapter XI-2 of the 1974 SOLAS Convention.
